About Philanthropy Forward '21

This year's conference will be offered online for a second year, affording opportunities for members across the state the benefit of the safety and predictability of a virtual event while capitalizing on our strength as a statewide network and connecting to national experts and speakers.

The conference will be presented via Boomset, a premier virtual events platform offering a myriad of ways for attendees to learn, connect and engage with the Philanthropy Ohio network. Our five-day virtual event will feature plenary sessions, short talks, fireside chats and interactive experiences to bring members closer together and deepen our collective work to advance the vibrancy of our communities.

Your support of Philanthropy Forward '21 allows us to offset production costs for the event, provide honoraria for invited nonprofit speakers as needed and support Philanthropy Ohio's mission to lead and equip Ohio philanthropy to be effective, powerful change agents in our communities.

What Our Attendees Say

"I thought the conference was great! Philanthropy Ohio still provided high-quality speakers and informative sessions in an online format. I appreciated being able to attend without having to drive or spend money on a hotel."

"Philanthropy Ohio did a fantastic job with the virtual format!"

"To be able to have such high-quality speakers and conversations from my 'home office' was so valuable."

"I thought the conversations in the sessions were fantastic, and the interactions outside of the sessions were interesting and engaging."

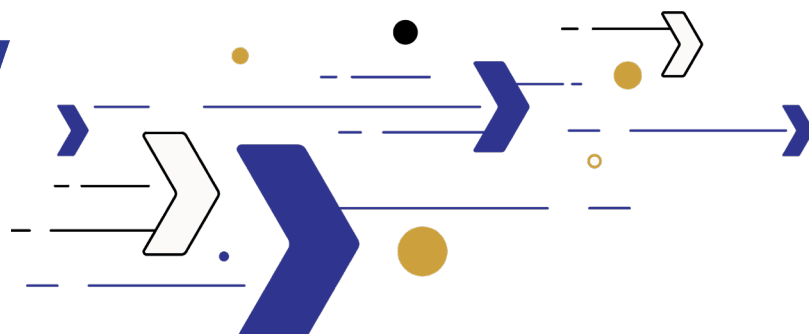

"Very well organized; thoughtful content; knowledgeable speakers; even though we were virtual, it felt intimate."

Exhibitor Opportunities

Are you interested in robust lead generation and the opportunity to connect with attendees to demonstrate the value of your product or service? Then consider adding an exhibitor booth to your sponsorship package to receive dedicated online space and agenda time to your support! Contact [Kaylin Bittner](#) to discuss this year's virtual exhibitor opportunities.
