We Advocated

- STATE POLICY: Lobbied for health, human services and education provisions in the nearly \$162B Ohio budget for investments in mental health, wraparound services, broadband and college opportunity grants.
- **HEALTH & EDUCATION REFORM:** Opposed prohibiting vaccine requirements (HB 248); opposed the so-called divisive concepts bills (HB 322 and 327) and submitted testimony highlighting the importance of leaving curriculum decisions in local control and committing to equity in education.
- FEDERAL POLICY: Convened legislators on the ramifications of the ACE Act, S 1981 regarding donor advised funds; advocated for making the EITC and CTC permanent to lift Ohioans out of poverty; and lobbied for the exclusion of nonprofits into UPMIFA.
