

# Philanthropy at the Statehouse

Tuesday, April 25 | Columbus, Ohio

## PHILANTHROPY AT THE STATEHOUSE

Join your colleagues from across the state as we gather to learn, educate and advocate. During our time together, you will have an opportunity to speak directly to policymakers on topics central to Ohio philanthropy. In the afternoon, you will learn from those working in public policy about the current legislative landscape and issues facing Ohio. Finally, we will conclude our time together at a legislative reception hosted at the statehouse.

## ABOUT PHILANTHROPY OHIO

Philanthropy Ohio is a membership association for funders, and we provide the network, tools and knowledge to help people engaged in philanthropy become effective partners for change in our communities. We do this through public policy work and advocacy with and on behalf of our members to strengthen the charitable sector; learning programs that educate funders and advance their expertise; peer convenings that connect funders by job role and funding interests to strengthen relationships; collaborating with the governor's office and state agencies to build public/private partnerships; and by leading and supporting work to center racial equity in all that we do. Together, our nearly 200 members hold over \$50 billion in assets and provide over \$4 billion in grants to nonprofit organizations as we all work toward a just and vibrant Ohio through impactful philanthropy.
